Dear Dr. Puxeddu:

I am writing to extend a formal invitation to you to participate on our International Panel at the annual conference of the American Dance Therapy Association, to be held in 2010 in New York City, at the Brooklyn Marriott Hotel September 23rd thru 26th.

As a physician and psychologist, you have been a very important pioneer in the profession of dance/movement therapy and its development in Italy, and we would be most honored to have you represent your country.

The topic of the panel is to be "Men in Dance Therapy: As Therapists and Clients" and we would be honored to have you share your ideas on your experience as a therapist and your work with men. Other panelists will be from Argentina, the Netherlands, Russia, Japan, Korea, Germany, Czech Republic and the Ukraine.

We very much hope that you will be able to arrange to be with us. Your participation would make a most important contribution to our international community of dance/movement therapists.

I very much look forward to your response and to meeting you in New York.

Sincerely yours,

Robyn Cruz, PhD, BC-DMT
