## European Association Dance Movement Therapy (EADMT) founded October 25th 2010

The new EADMT Board are delighted to announce the founding of the DMT profession's European Association. The Inaugural General Meeting took place on the 25<sup>th</sup> of October 2010 in Munich, Germany. The BTd and Susanne Bender, President of BTd, hosted the event at Tanztherapie Zentrum, the registered domicile address of our new Association. The founding of the Association has been overseen by the German legal process and has since been approved by the Notary in Munich following the Inaugural Meeting.

Eleven European Associations participated in this significant event: 24 people attended with 4 additional observers. The primary tasks of the Inaugural meeting were to adopt the EADMT Statutes, Ethical Code and Rules of Procedures and to elect the first EADMT Board. Proposals were made, discussed, agreed and carried forward and the Board elect is Susan Scarth as President, Antonella Monteleone as Secretary General and Nina Alcalay as Treasurer with Kristine Vende taking on the remit of Communications.

A report will be sent by email to all Member Associations with copies of the legal documents attached. Some of this information will be made available on the European Dance-Movement Therapy website. For more information please visit: <http://www.european-dance-movementtherapy.eu/>
